Dear Sirs:

Re: Final Rejection  
Application No. 911,153  
Filed September 8, 1964  
Herbert W. Smith  
VACCINES

In response to applicant's request of February 6, 1970 for a review of the examiner's Final Action of August 15, 1969, the prosecution has been carefully studied.

The application is being referred back to the examiner for further prosecution on a point which was not considered previously.

Yours truly,

(R.E. Thomas for)  
A.M. Laidlaw,  
Commissioner of Patents.

Messrs. Fetherstonhaugh & Co.,
